EZStation_Win64-B1130.3.10.0	EZStation_Win64-B1130.3.9.0	2021-3-30	improved release
EZStation_Win64-B1130.3.9.0	EZStation_Win64-B1130.3.8.0	2020-12-15	improved release

## 2 Feature Change Description

### 2.1 New Feature

1. Supports LPR;
2. Supports connection to AIBox devices;
3. Adapted the multi-sensor display solution for multi-channel cameras;
4. Supports high-rise littering alarm;
5. Supports ultra motion detection;
6. Supports editing the local signal source name;
7. Supports decoding G.711 audio with 16 KHz sampling rate;
8. Supports combining the 32-bit and 64-bit client versions in one;

9. Bug fixes.

## 3 Version Upgrade Guide

### 3.1 Upgrade Overview

#### 3.1.1 Version File Components

Table 2 Version File Components

Software Package	Contents	Function
EZStation-B1130.3.13.0	EZStation	Video management software

#### 3.1.2 Version Upgrade Environment

Local operations, no network environment is required.

#### 3.1.3 Version Upgrade

Double-click the software package to start installation. Remote installation is not supported.

#### 3.1.4 Initial Installation

- (1) Double-click the EZStation-B1130.3.13.0 package to unzip the files.
- (2) Double-click EZStation-B1130.3.13.0(IN).exe.
- (3) Click **Continue** and **Install**.

- (4) When installation is completed, shortcut(s) of the installed component(s) appear in Launchpad and Finder. Click a shortcut to start the program.

### 3.1.5 Upgrade

- (1) In the same operating system, double-click EZStation-B1130.3.13.0(IN).exe to start installation.
- (2) The installation program automatically checks the version. If a lower version is detected, the installation program will overwrite it. The installation process is the same as the initial installation.

### **Version Upgrade Disclaimer**

1. By setting or installing this program in any way you agree to all of the following terms and conditions. Your downloading or using the program means you acknowledge your full understanding and acceptance of the following terms and conditions. If you do not agree to any of the following terms, you shall not use the program and you must cease installing and delete the program immediately.
2. The upgrade program is only applicable to the intended regions and product models. Before upgrade or update, please read the release notes carefully to make sure the program is applicable to your region and product model. You will be fully liable and responsible for all the consequences of device abnormality and related maintenance costs caused by your improper operations.
3. Uniview owns or is legally authorized to own all rights and IPRs (Intellectual Property Rights) of the program and the supplied release notes.
4. Software upgrades are for the optimization of product functions and do not mean there is defect.
5. You must strictly follow instructions in the release notes during the upgrade process, otherwise you are responsible for the possible consequences and related maintenance costs.
6. You shall not engage in any of the following activities, otherwise you would be liable for infringement and responsible for any adverse consequences arising therefrom.
  - 6.1 Copy the program (exclude the reasonable and necessary copies for internal backups);
  - 6.2 Exclude this statement when using the program or transfer the program to any third party;
  - 6.3 Modify the program or its derivatives;
  - 6.4 Reverse engineer, decompile or disassemble this program.
7. The program is only intended for authorized users. Its architecture, organization and source code are valuable trade secrets and confidential information owned by Uniview and its authorized parties. You agree not to provide or disclose any confidential information contained in or derived from the software to any third party. No part of this document may be excerpted, reproduced, or distributed in any form by any entity or individual without written consent from our company.
